# PLANNING YOUR EVENT

We are excited you have chosen to host your event with us here at Gas South District! Below we will review the contractual steps to moving forward with your event, operational guidelines and required regulations. While some items may not apply, we encourage you to review the entire packet, and please let us know if you have any questions.

## **SCHEDULING & BOOKING YOUR EVENT**

As you work through the booking process with your Sales Manager, you will discuss potential event dates and availability. Once a date has been agreed upon for the event, your dates will then be placed on hold. Dates can be held for up to two weeks. If the Client has not confirmed the event dates by the end of the two-week timeframe, then the dates will be released. If the Client does confirm the dates within the allotted time a contract will be prepared and sent to the Client.

Once a contract is sent, the Client would then have two-weeks to review the contract. By the end of the two-week timeframe, the contract would be due back signed in order to secure the event. The contract will then be counter signed and returned to the Client for their records. Once the required deposits have been made, the Client will then be assigned and introduced to their Event Manager/Coordinator and will then be able to begin planning, promoting and or selling tickets to attend their event accordingly.

## **DEPOSIT TIMELINE & INSURANCE REQUIREMENTS**

**Due with the Contract:** A minimum deposit of 50% of the rental is due with the return of the contract in the form of a check made payable to Gas South District or an online payment may be made by visiting: [www.GasSouthDistrict.com/payonline](http://www.GasSouthDistrict.com/payonline).

**Ninety (90) Days before the event:** The remaining 50% rental balance will be due ninety (90) days prior to the first scheduled date of the rental.

**No less than thirty (30) Days before the event:** All event details have been provided and reviewed by the Client.

**Fourteen (14) Days before the event:** An estimate of expenses will be sent to the Client in advance of the Event. The estimate of expenses including all additional charges, and the final approval of the event details are due fourteen (14) days prior to the first scheduled date of the rental.

All Clients will be required to provide Gas South District a certificate of commercial general liability insurance, issued by an insurance company authorized to transact business in the State of Georgia, including contractual liability coverage, naming Customer as insured and naming additional insureds "Sugarloaf Gwinnett District dba Gas South District, Gwinnett County Convention & Visitors Bureau & Gwinnett County Government". The limits should include comprehensive public liability and property damage insurance with a combined single limit of at least two million dollars (\$2,000,000) and will be due thirty (30) days prior to the first contracted rental date.

## **COMPETING EVENTS**

Gas South District may, at its discretion, maintain a clearance period prior to or following an existing event that is competing for essentially the same special market.
