How Much Money Can a Nonprofit Earn?

Great question! The way payment works is, your group will come in and run a concession stand like you own it and in return Proof will provide you with a percentage of your sales and, of course, your tips!

Compensation can vary based on group size and events worked. In general, an organization that fills a stand will receive 12% commission on food and non-alcoholic beverage, 9% on beer sales, and all tips given by guests.

Groups Large and Small Can Fundraise Here!

Groups can come to Gas South Arena and fundraise! Below is an example of funds earned by different sized groups from past years in just one game!

3-4 person portable can earn up to \$500 + tips

5-7 person stands can earn up to \$1000 + tips

10-15 person stands can earn up to \$1500 + tips

15+ person stands can earn up to \$2000 + tips

*Funds earned can vary based on event attendance, weather, etc.

As a safety net, all volunteers are guaranteed \$50/person.

Volunteers will receive whichever is greater between commissions or \$50/person rate.

It's encouraged to sign up for all home games, concerts, and special events in the 2022/2023 fundraising season. Committing to all events will lead to improved tips and give your group a chance to find their best flow in their stand!

Who can Volunteer?

Volunteers have to be 16 years or older. To serve alcohol, volunteers need to be 18+. Each location can have 1 minor for every 3 adults, if you have a youth heavy organization, find some parents, guardians, or maybe a helpful neighbor that'd be willing to help! It may be beneficial to look into partnering with other like-caused organizations (i.e sororities partnering with fraternities, volleyball teams partnering with soccer teams, etc.)

Options are limitless and flexible. If you have any questions, please don't hesitate to ask!

A Day in the Life of a Volunteer

Each event has a different timeline to ensure the best experiences are made - see the examples below for what you can expect on any given event day. The timelines below are examples and subject to change.

Hockey/Lacrosse - Check In is about 2 hours before the gates open for guests. Groups can expect to be onsite for about 6 hours on a game day. Time will fly once you have a line of customers!
