

A detailed architectural floor plan of a building. The plan shows a large, irregularly shaped room on the left labeled 'Hudgens Grand Hall'. To its right is a rectangular room labeled 'Hudgens Classic Room', which is highlighted with a solid orange fill. Below these rooms is a large, circular area with a complex, radial pattern, possibly a rotunda or a large circular room. The rest of the plan shows various smaller rooms, corridors, and structural elements. The drawing is in black lines on a white background, with the orange highlight for the Classic Room.
